Dear Sir:

Subject: Whereabouts of W/O James A. Zahm,
Weapons Training Battalion

This represents the fifth attempt on my part, to contact W/O Zahm, whos last address seems to have been the Marksmanship Training Unit, this base.

Two letters to W/O Zahm and two letters to the base locator remain unanswered although I have evidence that they were recieved at the base. I do not understand the failure of the locator to answeremy request.

Therefore, I respectfully request that you inform me as to the whereabouts of W/O Zahm or who I may contact in regards to getting intouch with him.

Sincerely yours,
